

Bowl Cozy

May 4, 9:30 AM – 12:30 PM \$10.00

Bowl Cozies can be used to heat up soup in the microwave or hold a bowl of ice cream to protect your hands from the cold. Be sure to use 100% cotton fabric and thread when placing a microwave because polyester will melt or get brittle. These make perfect gifts for mom, friends, or anyone. Make a set of three different sizes. Pattern and instructions provided for the class.

Supplies Required for Class:

Sewing Machine (can request to use a sewing machine for the class)

3/4 yard of cotton fabric

12" square, 10" square, and 8" square of 100% cotton batting

100% cotton thread (50wt Aurifil recommended)

scissors (optional)

point turner (optional)
