

Mondo Bag

April 27, 9:30 AM - 4:30 PM \$30.00

This bag is so versatile, and large enough to carry groceries, be an overnight carry-all, or a bag to carry your workout clothes to the gym. Plus, because of the interfacing, batting, and backing, it is strong enough to carry substantial weight. The entire bag can be finished during the class.

Supplies Needed for Class:

Mondo Bag Pattern

Sewing machine (can request to use a sewing machine for class)

Mondo Bag Pattern (available for purchase in store or online)

Fabric cut into 2 1/2" squares (cut number according to pattern and desired colors)

Mondo Bag Interfacing panels (four panels needed for one bag)

Lining Fabric (amount suggested by pattern)

Thread (50wt Aurifil thread recommended)
