

## **Stack N Whack**

**April 13, 9:30 AM – 4:30 PM. \$30.00**

This class is so much fun, just to see the different ways the kaleidoscope blocks can be put together to create the quilt. The quilt can be made with points or without as shown. The class is long enough to allow each participant to create blocks for at least a lap-sized quilt. Each participant will receive suggestions on how to finish the quilt with batting and backing once the blocks are created.

### **Supplies Needed to bring to class:**

Magic Stack N Whack Book by Bethany Reynolds

Ruler with 60 degree marking

Flat head pins

Rotary cutter

Rotary mat

Sewing machine (may request a sewing machine to use on registration form)

Fabric recommended by book for size of quilt desired

Thread (50 wt Aurifil recommended)
